

TUITION FAQ

How much is tuition at AJA?

Tuition for the 2019-2020 school year is \$16,900.

That seems like a lot for our family, are there any ways to make tuition more manageable?

We believe Jewish day school education should be accessible for all families. As such, we do offer Tuition Assistance. Our Tuition Assistance program allocates assistance on the basis of demonstrated financial need. We contract with a third party firm called FACTS to perform the financial evaluation and make tuition assistance recommendations. Approximately \$430,000 of tuition assistance was given last year.

Additionally we offer a number of discounts including our Jewish Professional Discount (a 40% discount for the children of professionals working in Jewish communal organizations) and our Multiple Student Discount for families with 3 or more students.

Is there someone who can help me figure out what this all means for my family?

Our Director of Administration Robin Littrell is happy to walk you through tuition at AJA and how best to make it work for you! You can contact her at robin.littrell@austinjewishacademy.org or 512-735-8368.
